Virtual Owner Meetings for Condos, Stratas and Associations  
Real-Time Results, Advanced Encrypted Voting and Full Transparency

---

*CondoVoter is excited to announce the next generation of electronic voting for condominium corporations, associations and stratas.*

Understanding the importance of maximizing voting participation and the challenges in achieving it, CondoVoter teamed up with industry-leading legal and emerging tech engineers to provide a solution. The platform makes virtual access to meetings simple while ensuring compliance with applicable legislation and proper governance protocols.

## CONDOVOTER WILL:

### Simplify

your existing meeting process by streamlining the experience. CondoVoter complements current procedures while making it easier to maximize participation. With the addition of an online owner's portal, integrated candidate profiles, extensive ballot customization, and real-time voting updates, you can provide an efficient and streamlined owner's meeting and voting experience.

### Engage

your owners at all levels. Participation is a top priority when conducting owner's meetings. Using CondoVoter's new suite of tools, with automated notices and reminders, you can ensure quorum is met well ahead of your meeting date. Adding new candidates is easy, with our candidate submission portal. CondoVoter makes the process simple and frees up management from these time consuming tasks.

### Validate

votes and owners in real-time. When adopting E-voting, CondoVoter assists in providing checks and balances throughout the process offering full transparency from end-to-end and giving owners peace of mind. Owner validation, audit logs, and a diarized history of votes offer you the peace of mind that the voting process was correctly followed and a secure process is in place. Compliance with privacy legislation is a top priority.

---

*Make your Quorum with virtual meetings - voting made easy*  
*Go paperless and make meetings run smoother*

CondoVoter is a leader in providing and advocating for electronic voting services for condos since 2017. In the spirit of innovation CondoVoter introduces our new **Virtual Meeting Platform**. The new combined platform provides condominium corporations, associations and stratas with a one-stop, turn-key solution to all their electronic voting and virtual meeting needs

**Client Portal** - Keep your owner data up-to-date year-round with our client portal. Extending the ability to store and manage your owner profile information online makes registering voters easier. No more last-minute panic of uploading and updating owner information before a meeting. Choosing to extend this ability to owners through a secure portal saves further time and headaches in maintaining a current list of owners.

**NO PROXIES?  
NO PROBLEM**

*Remove the need for proxies with easy online voting*  
*While meeting regulatory compliance*
